<i><b>FY '01</b></i>	<i><b>\$ 34 million</b></i>
<i><b>FY '00</b></i>	<i><b>\$ 76 million</b></i>

---

<sup>1</sup> New multiplier in effect as of January 1, 2014. Previous film industry analyses calculated a multiplier of 2.17 to estimate the total effect that film industry spending has on the Maryland economy. The most recent study calculated a slightly lower multiplier of 1.7. Both of these multipliers were calculated using IMPLAN, an industry-recognized economic modeling software package. The revised multiplier was calculated using updated IMPLAN data.
